## 2. The Facility

With respect to a Documentary Credit Facility, a Trade Facility or similar facility, BNPP is hereby authorised to honour all documents drawn or purporting to be drawn and presented under such Facility issued by BNPP. BNPP shall at all times be entitled to make any payment for which a demand has been made without further investigation or enquiry and need not be concerned with the propriety of any claim made or purported to be made under and in the manner required by the terms of such Facility; accordingly, it shall not be a defence to any demand made of any Obligor under the Facility Documents, nor shall any of such Obligor's obligations under the Facility Documents be affected or impaired by the fact, that BNPP was or might have been justified in refusing payment, in whole or in part, of the amounts so claimed.

For each part of the Trade Facility, "**Drawing**" or "**Drawdown**" or any equivalent term is deemed to include any amount paid or incurred (including contingently) by BNPP in connection with the relevant instrument issued, discounted or negotiated, or loan made, for which BNPP has not received reimbursement, whether or not any Obligor has requested BNPP to pay or incur that amount.

BNPP shall not be responsible to ensure that the Facility is used for the purposes set out in the Facility Documents.

## 3. Drawings in an Alternative Currency

The Facility is made available in the currency identified in the Table (the "**Base Currency**") but, if requested by the Borrower(s), BNPP may, subject to availability of funds and applicable laws, regulations and rules, make any individual Facility available in such other currencies as BNPP may agree from time to time (each an "**Alternative Currency**").

Unless otherwise agreed between the Borrower(s) and BNPP, any payment of principal or interest payable in connection with a Drawing denominated in an Alternative Currency is payable in the same Alternative Currency.

If one or more Drawings are denominated in an Alternative Currency and on the Business Day prior to the date upon which any principal, interest, commission or fee is payable under the Facility and/or such other date as determined by BNPP (the "**Relevant Date**"), BNPP determines that the aggregate Drawings under an individual Facility exceed its Individual Facility Limit, the Borrower(s) shall, at the request of BNPP, repay an amount of the relevant individual Facility or provide cash cover in respect of relevant contingent liabilities on the Relevant Date. The amount of such repayment or cash cover shall be an amount sufficient to ensure that following such repayment or receipt of cash cover the aggregate Drawings under each individual Facility do not exceed its Individual Facility Limit.

In determining whether the aggregate Drawings under an individual Facility exceed its Individual Facility Limit, BNPP shall convert any Drawings in an Alternative Currency into the Base Currency at a rate determined by BNPP in its absolute discretion.

If the Borrower(s) provide cash cover, the relevant Borrower(s) shall deposit the relevant amount in an account in the name of the relevant Borrower(s) and maintained with BNPP. Without prejudice to the terms of any security document which the Borrower(s) may have signed with BNPP, until there are no Outstanding Amounts under the relevant Facility, withdrawals from the account(s) may only be made to pay BNPP amounts due and payable to it under the Facility Documents in respect of the relevant Facility.

In the event BNPP is unable or it is impracticable for BNPP to grant or continue to grant all or any part of the Facility in the Base Currency by reason of any of the following:

- (a) changes in national or international financial, political or economic conditions or currency availability or exchange rates or exchange controls; or
- (b) it becomes unlawful, illegal or contrary to or additional conditions have been imposed by any laws, regulations, directives, ruling or guidelines of any governmental or non-governmental or statutory authority for BNPP to grant or continue to grant the Facility in the Base Currency,

then notwithstanding any other provision of the Facility Documents, BNPP shall have the right in its absolute discretion to convert the Base Currency into an Alternative Currency as selected by BNPP, with prior notice to the Borrower to the extent reasonably possible.

#### **4. Interest**

Interest shall accrue daily on the principal amount outstanding under the relevant Facility on the basis of actual number of days elapsed and a year of 360 or 365 days (depending on the relevant currency (as determined by BNPP)).

BNPP may, for its convenience, consolidate outstanding Interest Periods in respect of different Drawings under the same Facility to ensure that the relevant Drawings have the same repayment date.

Without prejudice to any other provision of any Facility Document (including, in particular, this Clause 4), each party to any of the Facility Documents acknowledges and agrees for the benefit of the other parties to the Facility Documents that:

- (a) IBOR benchmarks (such as LIBOR) (A) may be subject to methodological or other changes which could affect their value, (B) may not comply with applicable laws and regulations (such as the Regulation (EU) 2016/1011 of the European Parliament and of the Council, as amended (the EU Benchmarks Regulation)) and/or (C) may be permanently discontinued; and
- (b) the occurrence of any of the aforementioned events and/or a Screen Rate Replacement Event may have adverse consequences which may materially impact the economics of the financing transactions contemplated under the Facility Documents.

#### **5. Right of Review**

Notwithstanding any other provision of the Facility Documents, the availability of the Facility is subject to review by BNPP at any time and BNPP reserves the right at any time (and without notice to any Obligor), to:

- (a) decline to allow any Drawing under any Facility to proceed; and/or
- (b) terminate, cancel (in whole or in part) and/or amend any Facility (including, without limitation, reducing or suspending, in whole or in part, that Facility) and/or amend the provisions of the Facility Documents; and/or
- (c) declare all or any part of the Outstanding Amounts to be due and payable at any time and demand their immediate repayment; and/or
- (d) enforce its rights under the Security (where applicable); and/or
- (e) with respect to each bank guarantee, letter of credit, bond and other relevant instrument issued by BNPP or its Affiliate under the Facility, require the Borrower(s) to:
  - (i) procure another bank to issue a bank guarantee, letter of credit, bond or other relevant instrument to replace each such instrument issued by BNPP;
  - (ii) procure another bank satisfactory to BNPP to issue a counter-guarantee in favour of BNPP in a form satisfactory to BNPP; and/or

- (iii) provide immediate cash cover,

in each case of (i), (ii) and/or (iii) to cover the full liabilities of BNPP under each such instrument issued by BNPP under the Facility (inclusive of interest, costs, charges and expenses) and in each case if the Borrower(s) fail(s) to comply with any such requirement of (i), (ii) and/or (iii), BNPP shall be entitled to exercise the right of lien and set off against any sums or securities held in any accounts of the Borrower(s) with BNPP and for that purpose BNPP shall be entitled to debit and/or block the relevant accounts of the Borrower(s).

**6. Prepayment**

Any notice of prepayment given pursuant to the terms of the Facility Letter shall be irrevocable and shall specify the date upon which the relevant prepayment is to be made and the amount to be prepaid.

**7. Default Interest**

Default interest is payable on unpaid amounts at the rate of 2% per annum above the Interest Rate (or other relevant applicable rate or commission) for the relevant Facility ("**Default Rate**").

If any Obligor fails to pay any amount payable by it under a Facility Document on its due date, interest shall accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at the Default Rate. Any default interest is immediately payable on demand.

**8. Payments**

All payments to be made under the Facility Documents shall be paid (i) in immediately available, freely transferable funds to such account(s) with such bank(s) and in such currency as BNPP may notify to the Obligor(s); (ii) exclusive of any Tax; and (iii) without any set-off or counter-claim and free and clear of any withholding or deduction (including, but not limited to, in respect of Tax) except as required by law. If any deduction (including, but not limited to, in respect of Tax) is made, the amount of payment due shall be increased to an amount which, after making such deduction, leaves an amount equal to the payment which would have been due if no deduction had been required. The Borrower(s) shall provide BNPP with such evidence as BNPP may require (including certified copies of all relevant receipts) that such deduction or payment has been made to the relevant authority.

Any payment under the Facility Documents which is due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not).

Unless otherwise agreed between the Borrower(s) and BNPP, all fees and commissions payable are non-refundable (regardless of whether and to what extent the Facility may have been drawn or is subsequently withdrawn) and exclusive of any Tax or similar charges and shall be calculated on the basis of actual days elapsed and a year of 360 or 365 days (depending on the relevant currency (as determined by BNPP)).

(k) (*negative pledge*) it shall not, and shall procure that none of its subsidiaries shall, create or permit to subsist any encumbrance over all (or any substantial part of) its present or future revenues, undertaking or assets except for encumbrances (i) existing at, and disclosed in writing to BNPP prior to the date of the Facility Letter; (ii) created by operation of law in the ordinary course of trading that will not, in the reasonable opinion of BNPP, materially affect that Borrower's ability to perform its obligations under the Facility Documents; (iii) granted to BNPP under any Facility; or (iv) created with the prior written consent of BNPP;

**11. Anti-Money Laundering and other Laws**

Without prejudice to BNPP's rights under Clause 5 (*Right of Review*), BNPP may block or refuse to make a payment under or in connection with the Facility, and may refuse to permit a Drawing under any Facility, if it believes on reasonable grounds that making such payment or Drawing may breach any applicable law (including, without limitation, any law relating to anti-money laundering, anti-terrorist financing, anti-corruption, anti-bribery or Sanctions) and any internal compliance requirements of BNPP.

In the case where:

(a) BNPP is served with or notified of or otherwise in any way affected by any law, directive, regulation, rule, judicial or administrative order, judgment, injunction, government act, sanction, decree, writ or other form of judicial or administrative process whether having the force of law or not (collectively, the "**Process**"), which may affect or relate or is referable to, or appear to affect or relate or is referable to, any Obligor or the Obligor Transaction(s) (as defined in Clause 14 (*Indemnities*) below), or its account(s) held with BNPP or its Affiliates or any interbank account of BNPP or its Affiliates; or

(b) BNPP in its opinion considers that it is necessary under any applicable Process to which BNPP or its Affiliates are subject or affected by or under any non-statutory practice, procedures or guidelines (whether having the force of law or not) with which it is BNPP's or its Affiliate's practice or policy to comply,

BNPP and its Affiliates may, and each Borrower (for itself and on behalf of each Obligor) hereby irrevocably authorises them to, comply therewith in any manner or to take any action in relation thereto as it or its lawyers deem appropriate, including freezing, blocking and/or suspending or withholding payment of all or any amount(s) standing to the credit of any Obligor's account(s) held with BNPP or such Affiliates and/or terminating or suspending the Facility or any part thereof.

Neither BNPP nor any of its Affiliates shall be liable to any Obligor or any other person or entity in any manner whatsoever for any action or omission taken by BNPP or its Affiliates pursuant to this Clause.

**12. Increased Costs**

Each Borrower shall promptly on demand (and in any event within 15 days after demand by BNPP) pay to BNPP the amount of any Increased Costs incurred by BNPP or any of its Affiliates as a result of (i) the introduction of or any change in (or in the interpretation, administration or application of) any law, rule, directive or regulation; or (ii) compliance with any law, rule, directive or regulation made after the date of the Facility Letter.

**13. Costs and Expenses**

Each Borrower shall promptly on demand pay to BNPP the amount of all (in the case of (i) and (ii), reasonable) costs and expenses (legal or otherwise, on a full indemnity basis) incurred by BNPP in connection with (i) the negotiation, preparation, printing, execution, registration and perfection of any Facility Document or any documents executed pursuant to any Facility; (ii) responding to, evaluating, negotiating or complying with any request from any Obligor for any amendment, waiver or consent in connection with any Facility or any amendment or waiver that is required in connection with any Facility Document as a result of the occurrence of a Screen Rate Replacement Event; and (iii) the enforcement or preservation of any rights of BNPP under any Facility Document.

Each Borrower shall indemnify and reimburse BNPP for any reasonable cost, loss or expense incurred by BNPP (including, without limitation, any Cost of Funds or loss) as a result of (i) any payment (including payment of interests) or prepayment being made other than as expressly permitted or required in any Facility Document or a payment being received in a currency other than the currency of the relevant Facility or (ii) any failure by the Borrower(s) to borrow on the date or in the currency specified in a Drawing request. The foregoing provision will not apply where the cost, loss or expense arises directly from the gross negligence, wilful misconduct or fraud of BNPP, its Affiliates, agents, employees and officers.

Each Borrower's obligation for all sums due or payable by it under or in connection with a Facility, including damages, shall be in the currency(ies) in which the Facility is denominated.

**14. Indemnities**

Each Borrower shall promptly on demand indemnify and keep indemnified BNPP (including its head office and any and all branches of BNPP), its Affiliates, agents, employees and officers against:

(a) all claims, demands, actions, liabilities, charges, proceedings, warrants or injunctions, damages, losses (including loss of profit), reasonable costs and expenses (legal or otherwise);

(b) all stamp duty, registration taxes and any other direct or indirect taxes;

(c) any loss of bargain, Cost of Funds or any other loss incurred in liquidating, obtaining or re-establishing any swap, hedge or related trading positions or closing out of any foreign exchange or interest rate contract as a result of any prepayment of any Facility prior to its stated maturity (whether such prepayment is on demand by BNPP or otherwise (including any loss or cost due to internal hedging arrangements being unwound)); and

(d) any shortfall arising from converting any payment to BNPP at the rate of exchange on the date of such payment to the extent that the converted amount falls short of the amount unpaid under the relevant Facility,

in each case, arising from or in connection with any Facility, any Drawing or the performance, preservation and/or enforcement by BNPP of its rights and/or obligations under any Facility Document (including, but not limited to, those arising from (A) any transaction relating to any Obligor or any of the Obligors' accounts with BNPP or its Affiliates ("**Obligor Transaction**"), (B) breach of the PPS Law or any applicable personal data protection laws; or (C) BNPP relying, acting or declining to act on any communication or instructions (or purported communication or instruction) from any person BNPP reasonably believes is duly authorised (or not duly authorised) to act on behalf of such Obligor, including any reliance by BNPP in good faith on any communication or instruction by telephone, facsimile, electronic mail or other electronic means).

The foregoing provision will not apply where the claim, loss or liability arises directly from the gross negligence, wilful misconduct or fraud of BNPP, its Affiliates, agents, employees and officers.

**15. Set-Off**

BNPP may, without prior notice, set off any present and/or future obligations and liabilities (whether actual or contingent) of any Borrower to BNPP (including its head office and any and all branches of BNPP) against any obligation owed by BNPP (including its head office and any and all branches of BNPP) to such Borrower, whether such obligation is matured or not matured and whether actual or contingent, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, BNPP may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

**16. Certificates and Determinations**

Any certification or determination by BNPP of a rate, amount or any other subject matter under any Facility Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

**17. Application of Moneys**

If any sum paid or recovered pursuant to any Facility Document is less than the amount due, BNPP may apply such sum to principal, interest, fees or any other amount due under any Facility Document and in such proportion, order and manner as it determines.

**18. Partial Invalidity**

If, at any time, any provision of any Facility Document is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provisions under the law of any other jurisdiction will in any way be affected or impaired.

**19. Remedies and Waivers**

No failure to exercise, nor any delay in exercising, on the part of BNPP, any right or remedy under the Facility Documents shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in the Facility Documents are cumulative and not exclusive of any rights or remedies provided by law.

**20. Amendment and Waiver**

These Standard Terms are subject to change from time to time at BNPP's sole discretion.

Each Borrower accepts that the Standard Terms may be amended unilaterally by BNPP from time to time and any updates of the Standard Terms which are notified to the Borrower(s) from time to time apply to the Facility Letter.

No other provision of any Facility Document may be amended or waived except by written agreement between the parties.

**21. Assignment and transfer**

The consent of the Borrower(s) is required for an assignment or transfer by BNPP, unless the assignment or transfer is:

(a) to an Affiliate of BNPP;

(b) made at a time when a default under or non-compliance by any Obligor with any term of the Facility Documents is continuing;

(c) an assignment or transfer of any rights of BNPP to any refinancing entity, including without limitation any insurer, reinsurer, securitisation vehicle, trust or fund, for the purpose of BNPP refinancing or hedging any of its interests under the Facility, provided no such assignment or transfer shall either (i) release BNPP from any of its obligations under the Facility Documents or (ii) require any payments to be made by an Obligor other than, or in excess of, or grant to any person any more extensive rights than, those required to be made or those granted to BNPP under the Facility Documents; or

(d) an assignment by way of charge or assignment of security of any rights of BNPP to (i) any of the refinancing entities mentioned in (c) above, (ii) holders of instruments issued by BNPP or (iii) another bank or financial institution (including a federal reserve or central bank).

The consent of the Borrower(s) to an assignment or transfer must not be unreasonably withheld or delayed. The Borrower(s) will be deemed to have given its (their) consent five Business Days after BNPP has requested it unless consent is expressly refused by the Borrower(s) within that time.

A transfer by BNPP of any or all of its rights and obligations under the Facility Documents is effected when BNPP and the new lender each execute an otherwise duly completed transfer certificate in the form attached.

On the date specified in such transfer certificate to be the transfer date:

1. to the extent that in the transfer certificate BNPP seeks to transfer by novation its rights and obligations under the Facility Documents each of the Borrowers and BNPP shall be released from further obligations towards one another under the Facility Documents and their respective rights against one another shall be cancelled (being the “**Discharged Rights and Obligations**”);
2. each of the Borrowers and the new lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Borrower and the new lender have assumed and/or acquired the same in place of that Borrower and BNPP.

The procedure set out in this Clause shall not apply to any right or obligation under any Facility Document if and to the extent its terms, or any laws or regulations applicable thereto, provide for or require a different means of transfer of such right or obligation or prohibit or restrict any transfer of such right or obligation, unless such prohibition or restriction shall not be applicable to the relevant transfer or each condition or any applicable restriction shall have been satisfied.

BNPP may at any time charge, assign by way of security, declare a trust over or otherwise create an Encumbrance in or over, any or all of its rights or obligations under any Facility Document to any person. BNPP may also from time to time change its facility office in relation to all or a specified part of the Facility outstanding by notifying the Borrower(s) thereof.

No Borrower is permitted to assign or transfer any of its rights or obligations under any Facility Document without the prior written consent of BNPP.

## 22. Counterparts

Each Facility Document may be executed in any number of counterparts, which has the same effect as if the signatures on the counterparts were on a single copy of the Facility Document.

## 23. Entire Agreement

The Facility Letter, together with its schedules and appendices (including the latest version of the Standard Terms as notified to the Borrower(s) from time to time and any other terms incorporated by reference into the Facility Letter), set out the entire agreement between the parties and supersede any prior oral and/or written understandings or arrangements relating to the Facility.

## 24. Prevalence of terms

If there is any conflict or inconsistency between the provisions of the Facility Letter and these Standard Terms (or any other Facility Document), the provisions of the Facility Letter shall prevail. If there is any conflict or inconsistency between the provisions of any Other Trade Terms and these Standard Terms, the provisions of the Other Trade Terms shall prevail.

## 25. Notices

Any communication to be made under or in connection with the Facility Documents shall be made in writing and, unless otherwise stated, may be made by email, fax or letter to the email, fax number or name and address set out in the Facility Letter or (in the case of communication by BNPP to an Obligor) notice details last known to BNPP. A party may notify the other(s) of any change in such notice details with 5 Business Days prior written notice. Any communication or document made or delivered under or in connection with the Facility Documents will be effective (i) if by way of email, only when actually received in readable form, (ii) if

by way of fax, only when received in legible form; or (iii) if by way of letter, only when it has been left at the relevant address or if 5 Business Days have elapsed since the posting date.

Any communication or document to be made or delivered to BNPP will be effective only when actually received by BNPP and then only if it is expressly marked for the attention of the department or officer as BNPP may notify the Borrower(s) from time to time. Any communication or document made or delivered to the Borrower(s) will be deemed to have been made or delivered to the other Obligor(s), if any.

Any notice or document given under or in connection with the Facility Documents must be in English or, if not in English, accompanied by a certified English translation as BNPP may request, in which case the English translation will prevail unless agreed otherwise by BNPP.

**26. Further assurances: PPS Law**

(a) If:

(i) a PPS Law applies, or commences to apply, to any of the Facility Documents or any of the transactions contemplated by them, or BNPP determines that a PPS Law applies, or has commenced to apply, to any of the Facility Documents or any of the transactions contemplated by them; and

(ii) in the opinion of BNPP, the PPS Law:

(A) adversely affects or may adversely affect a security given to, or in favour of, BNPP or the rights or obligations of BNPP under or in connection with any of the Facility Documents; or

(B) enables or may enable BNPP's security position to be improved without adversely affecting an Obligor in a material respect,

BNPP may give notice to the Borrower(s) which ensure(s) that such notice shall be passed on to the relevant Obligor, requiring the Obligor to do anything, including:

(iii) promptly providing all necessary information and taking all necessary action (including obtaining any consent or agreement or giving any notice) to enable BNPP to register wholly valid and effecting financing statements or financing change statements; and

(iv) amending, executing or delivering any document or instrument (including a Facility Document) that in BNPP's opinion is necessary, to the maximum possible extent,

to:

(v) overcome the circumstances contemplated in Clause 26(a)(ii)(A); or

(vi) improve the security position as contemplated in Clause 26(a)(ii)(B),

as the case may be.

(b) Without limiting Clause 26(a), if, in the opinion of BNPP a Facility Document (or a transaction in, or contemplated in, connection with it) is or contains a security interest, each Borrower (for itself and on behalf of any Obligor) agrees to do anything (such as obtaining consents, completing, signing and producing documents and supplying information) which BNPP asks and considers necessary or desirable for the purposes of:

(i) ensuring that the security is enforceable, perfected and otherwise effective;

(ii) enabling BNPP to apply for any registration, or give any notification, in connection with the security so that it has the priority required by BNPP; or

(iii) doing or performing any one or more of the above.

(c) Everything an Obligor is required to do in connection with Clause 26 is to be at the Obligor's own cost and expense and, without limiting any other provision of a Facility Document, each Obligor agrees to pay or reimburse (as the case may be) all costs and expenses of BNPP in connection with anything an Obligor is required to do under any Facility Document in connection with the PPS Law.

(d) An Obligor must promptly comply with the requirements of a notice given or issued to it by BNPP via the Borrower(s) in connection with Clause 26 within the time specified in the notice and each Borrower agrees to ensure that the relevant Obligor does so.

**27. Application of PPS Law**

(a) Each Borrower (for itself and on behalf of each Obligor) agrees that each provision of the PPS Act which Section 115 of the PPS Act permits parties to contract out of, other than Sections 117 and 118 and 134(1) and 135, do not apply to the enforcement of any Facility Document (including any security under, or in, a Facility Document).

(b) To the extent permitted by Section 275 of the PPS Act, each Borrower (for itself and on behalf of each Obligor) agrees to keep all information of the kind mentioned in Section 275(1) of the PPS Act confidential and to not disclose that information to any other person, except where disclosure is otherwise permitted or authorised under the Facility Documents.

(c) Each Borrower (for itself and on behalf of each Obligor) waives the right to receive any notice under the PPS Law (including notice of a verification statement) unless the notice is required under the PPS Law and cannot be excluded.

(d) Each Borrower (for itself and on behalf of each Obligor) consents to BNPP effecting a registration on the Personal Property Securities Register established under the PPS Law (in any manner it considers appropriate) and any other public record, filing or register that BNPP thinks fit in relation to any Facility Document or security arising under or in connection with or contemplated by a Facility Document and each Obligor agrees to provide all assistance required by BNPP to facilitate this.

**28. Consent to disclosure**

Each Borrower (for itself and on behalf of the other Obligors) hereby irrevocably and expressly consents to, authorises and permits BNPP and its employees and agents at any time to disclose such information relating to any Obligor and/or any Facility (including but not limited to details of each Obligor's account relationship with BNPP, the Facility Documents and, if applicable, each Obligor's foreign exchange, money market, fixed income and/or derivative transactions ("**Transactions**") with BNPP) and any other customer information to BNPP's head office, other branches, regional offices, representative offices or affiliated companies (together, the "**BNPP Group**"), professional advisers or auditors of any member of the BNPP Group and their respective employees and agents or any governmental or regulatory agencies or authorities or supranational entity or body, administrative, fiscal or judicial body, courts and tribunals or any other authorities of whatsoever nature (in each case whether within or outside Australia) or any exchange, market, clearing house, depository or trade repository or any potential assignee or transferee or persons who have entered into or who are proposing to enter into any sub-participation, credit derivative, risk transfer or risk participation transaction (including, without limitation, any insurer, reinsurer, securitisation vehicle, trust or fund, for the purpose of BNPP refinancing or hedging any of its interests under the Facility) or any other contractual arrangements with BNPP in relation to the banking facilities between each Obligor and BNPP and/or the Transactions (as applicable), including without limitation, any person to whom BNPP may be liable in connection with an Obligor's obligations under the Transactions (if applicable) or any other person from time to time. This consent shall survive and continue in full force and effect for the benefit of BNPP notwithstanding the repayment, cancellation or termination of the Facility or any part thereof, the completion, settlement or termination of any Transaction (if applicable) and/or the termination of one or more types of banker-customer relationships between an Obligor and BNPP.

**29. Personal data protection**

Each Borrower (for itself and on behalf of the other Obligors) hereby represents, undertakes and warrants to BNPP, as well as its representatives and/or agents that (a) in respect of any Personal Data that it discloses to BNPP, it would have prior to disclosing such Personal Data to BNPP obtained the appropriate consent from the individuals whose Personal Data are being disclosed, to: (i) permit it to disclose the individuals' Personal Data to BNPP for or in connection with the Facility Documents; and/or (ii) permit BNPP and its related corporations (in Australia and/or elsewhere) to collect, use, disclose, share and/or Process (through authorised service providers, relevant third parties or otherwise) the individuals' Personal Data for or in connection with the Facility Documents; (b) any Personal Data that it discloses to BNPP are accurate; (c) should it become aware that any such Personal Data has been updated and/or changed after such disclosure to BNPP, it shall give BNPP notice in writing as soon as reasonably practicable thereafter; (d) should it become aware that any individual whose Personal Data it has disclosed to BNPP has withdrawn his or her consent as referred to in this paragraph (a) above, it shall give BNPP notice in writing as soon as reasonably practicable thereafter. Without prejudice to BNPP's other rights under law and/or the agreement(s) between it and BNPP, upon the receipt by BNPP of the said notification, BNPP shall have the right to discontinue or not provide any products and/or services (including the Facility) to and/or Transactions with it that are linked to such Personal Data; and (e) it shall from time to time as may be reasonably requested by BNPP, assist BNPP to comply with the applicable personal data protection laws and all subsidiary legislation, guidelines and/or notices related thereto.

For the purposes of this Clause 29; "**Personal Data**" shall mean the personal data of any individuals which an Obligor may, from time to time, disclose to BNPP as part of its commercial relationship and business dealings with BNPP; and "**Processing**", or any relevant equivalent, shall have the meaning given to it in applicable personal data protection laws.

**30. GST**

In this Clause the expressions "consideration", "GST", "recipient" and "supply" have the meanings given to those expressions in the A New Tax System (Goods and Services) Act 1999. Unless otherwise expressly stated, all prices, other sums payable, other consideration to be provided or monetary limits in this facility letter are stated exclusive of GST. If GST is payable on a supply made under any of the Facility Documents, the recipient will pay to the supplier an amount equal to the GST payable on the supply. That amount on account of GST will be paid at the time the consideration for the supply is payable under the relevant Facility Document.

**31. Mode of Communications**

Each Borrower irrevocably and unconditionally:

(a) requests and authorises BNPP to accept, rely on and act in accordance with any communication or instruction by telephone, facsimile, electronic mail or any other electronic means to the extent such means are acceptable to BNPP in its discretion, without any obligation on the part of BNPP to enquire as to the genuineness, completeness, authenticity, correctness or validity thereof;

(b) acknowledges that the giving of any communication or instruction by telephone, facsimile, electronic mail or any other electronic means communication is an insecure means of communication and is exposed to inherent network and intrusion vulnerabilities, that BNPP makes no representations or warranties whatsoever as to the security, completeness or integrity of any information, communication or instruction transmitted via such means, that BNPP shall not be responsible for any loss of security or integrity or breach of confidentiality arising from the use of such form of communication, and further that any communication or instruction transmitted via such means may not be read or executed by the recipient at all or in a timely manner; and

(c) confirms that in any legal proceedings brought in respect of any communication or instruction by telephone, facsimile, electronic mail or any other electronic means which is reasonably relied upon by BNPP in connection with the Facility or the Facility Documents, the correctness, validity, accuracy, completeness, enforceability, authenticity and genuineness of such communication or instruction shall be fully binding, admissible and conclusive upon such Borrower and shall not be affected or challenged merely on the ground that it is sent or received via such means.

**32. Surviving provisions**
