## 2. **The Facility**

With respect to a Documentary Credit Facility, a Trade Facility or similar facility, BNPP is hereby authorised to honour all documents drawn or purporting to be drawn and presented under such Facility issued by BNPP. BNPP shall at all times be entitled to make any payment for which a demand has been made without further investigation or enquiry and need not be concerned with the propriety of any claim made or purported to be made under and in the manner required by the terms of such Facility; accordingly, it shall not be a defence to any demand made of any Obligor under the Facility Documents, nor shall any of such Obligor's obligations under the Facility Documents be affected or impaired by the fact, that BNPP was or might have been justified in refusing payment, in whole or in part, of the amounts so claimed.

For each part of the Trade Facility, "**Drawing**" or "**Drawdown**" or any equivalent term is deemed to include any amount paid or incurred (including contingently) by BNPP in connection with the relevant instrument issued, discounted or negotiated, or loan made, for which BNPP has not received reimbursement, whether or not any Obligor has requested BNPP to pay or incur that amount.

BNPP shall not be responsible to ensure that the Facility is used for the purposes set out in the Facility Documents.

## 3. **Drawings in an Alternative Currency**

The Facility is made available in the currency identified in the Table (the "**Base Currency**") but, if requested by the Borrower(s), BNPP may, subject to availability of funds and applicable laws, regulations and rules, make any individual Facility available in such other currencies as BNPP may agree from time to time (each an "**Alternative Currency**").

Unless otherwise agreed between the Borrower(s) and BNPP, any payment of principal or interest payable in connection with a Drawing denominated in an Alternative Currency is payable in the same Alternative Currency.

If one or more Drawings are denominated in an Alternative Currency and on the Business Day prior to the date upon which any principal, interest, commission or fee is payable under the Facility and/or such other date as determined by BNPP (the "**Relevant Date**"), BNPP determines that the aggregate Drawings under an individual Facility exceed its Individual Facility Limit, the Borrower(s) shall, at the request of BNPP, repay an amount of the relevant individual Facility or provide cash cover in respect of relevant contingent liabilities on the Relevant Date. The amount of such repayment or cash cover shall be an amount sufficient to ensure that following such repayment or receipt of cash cover the aggregate Drawings under each individual Facility do not exceed its Individual Facility Limit.

In determining whether the aggregate Drawings under an individual Facility exceed its Individual Facility Limit, BNPP shall convert any Drawings in an Alternative Currency into the Base Currency at a rate determined by BNPP in its absolute discretion.

If the Borrower(s) provide cash cover, the relevant Borrower(s) shall deposit the relevant amount in an account in the name of the relevant Borrower(s) and maintained with BNPP. Without prejudice to the terms of any security document which the Borrower(s) may have signed with BNPP, until there are no Outstanding Amounts under the relevant Facility, withdrawals from the account(s) may only be made to pay BNPP amounts due and payable to it under the Facility Documents in respect of the relevant Facility.

In the event BNPP is unable or it is impracticable for BNPP to grant or continue to grant all or any part of the Facility in the Base Currency by reason of any of the following:

- (a) changes in national or international financial, political or economic conditions or currency availability or exchange rates or exchange controls; or
- (b) it becomes unlawful, illegal or contrary to or additional conditions have been imposed by any laws, regulations, directives, ruling or guidelines of any governmental or non-governmental or statutory authority for BNPP to grant or continue to grant the Facility in the Base Currency,

**4. Interest**

Interest shall accrue daily on the principal amount outstanding under the relevant Facility on the basis of actual number of days elapsed and a year of 360 or 365 days (depending on the relevant currency (as determined by BNPP)).

BNPP may, for its convenience, consolidate outstanding Interest Periods in respect of different Drawings under the same Facility to ensure that the relevant Drawings have the same repayment date.

Without prejudice to any other provision of any Facility Document (including, in particular, this Clause 4), each party to any of the Facility Documents acknowledges and agrees for the benefit of the other parties to the Facility Documents that:

(a) IBOR benchmarks (such as KLIBOR and LIBOR) (A) may be subject to methodological or other changes which could affect their value, (B) may not comply with applicable laws and regulations (such as the Regulation (EU) 2016/1011 of the European Parliament and of the Council, as amended (the EU Benchmarks Regulation)) and/or (C) may be permanently discontinued; and

(b) the occurrence of any of the aforementioned events and/or a Screen Rate Replacement Event may have adverse consequences which may materially impact the economics of the financing transactions contemplated under the Facility Documents.

Notwithstanding any other provision of the Facility Documents, the availability of the Facility is subject to review by BNPP at any time and BNPP reserves the right at any time (and without notice to any Obligor), to:

- (a) decline to allow any Drawing under any Facility to proceed; and/or
- (b) terminate, cancel (in whole or in part) and/or amend any Facility (including, without limitation, reducing or suspending, in whole or in part, that Facility) and/or amend the provisions of the Facility Documents without giving any reason therefor; and/or
- (c) declare all or any part of the Outstanding Amounts to be due and payable at any time and demand their immediate repayment without giving any reason therefor; and/or
- (d) enforce its rights under the Security (where applicable); and/or
- (e) with respect to each bank guarantee, letter of credit, bond and other relevant instrument issued by BNPP or its Affiliate under the Facility, require the Borrower(s) to:
  - (i) procure another bank to issue a bank guarantee, letter of credit, bond or other relevant instrument to replace each such instrument issued by BNPP;
  - (ii) procure another bank satisfactory to BNPP to issue a counter-guarantee in favour of BNPP in a form satisfactory to BNPP; and/or
  - (iii) provide immediate cash cover,

in each case of (i), (ii) and/or (iii) to cover the full liabilities of BNPP under each such instrument issued by BNPP under the Facility (inclusive of interest, costs, charges and expenses) and in each case if the Borrower(s) fail(s) to comply with any such requirement of (i), (ii) and/or (iii), BNPP shall be entitled to exercise the right of lien and set off against any sums or securities held in any accounts of the Borrower(s) with BNPP and for that purpose BNPP shall be entitled to debit and/or block the relevant accounts of the Borrower(s).

- (f) close out any transactions under the Capital Markets Documents (if any)

**7. Default Interest**

Default interest is payable on unpaid amounts at the rate of 2% per annum above the Interest Rate (or other relevant applicable rate or commission) for the relevant Facility ("**Default Rate**").

If any Obligor fails to pay any amount payable by it under a Facility Document on its due date, interest shall accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at the Default Rate. Any default interest is immediately payable on demand.

## 8. Payments

All payments to be made under the Facility Documents shall be paid (i) in immediately available, freely transferable funds to such account(s) with such bank(s) and in such currency as BNPP may notify to the Obligor(s); (ii) exclusive of any Tax, ST (as defined below) or similar charges, which shall be borne by the Obligor; and (iii) without any set-off or counter-claim and free and clear of any withholding or deduction (including, but not limited to, in respect of Tax) except as required by law. If any deduction (including, but not limited to, in respect of Tax) is made, the amount of payment due shall be increased to an amount which, after making such deduction, leaves an amount equal to the payment which would have been due if no deduction had been required. The Obligor(s) shall provide BNPP with such evidence as BNPP may require (including certified copies of all relevant receipts) that such deduction or payment has been made to the relevant authority.

Any payment under the Facility Documents which is due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not).

Unless otherwise agreed between the Borrower(s) and BNPP, all fees and commissions payable are non-refundable (regardless of whether and to what extent the Facility may have been drawn or is subsequently withdrawn) and exclusive of any Tax or similar charges and shall be calculated on the basis of actual days elapsed and a year of 360 or 365 days (depending on the relevant currency (as determined by BNPP)).
