

Processing of personal data to combat money laundering and the financing of terrorism

We are part of a banking Group that must adopt and maintain a robust anti-money laundering and countering the financing of terrorism (AML/CFT) programme for all its entities managed at central level, an anti-corruption program, as well as a mechanism to ensure compliance with international Sanctions (i.e., any economic or trade sanctions, including associated laws, regulations, restrictive measures, embargoes, and asset freezing measures that are enacted, administered, imposed, or enforced by the French Republic, the European Union, the U.S. Department of the Treasury's Office of Foreign Assets Control, and any competent authority in territories where BNP Paribas Group is established).

In the context of this processing we, [as a branch or subsidiary of BNP Paribas SA], act as joint controller together with BNP Paribas SA, the parent company of the BNP Paribas Group (the term "we" used in this appendix therefore also covers BNP Paribas SA).

To comply with AML/CFT obligations and with international Sanctions, we carry out the processing operations listed hereinafter to comply with our legal obligations:

- A Know Your Customer (KYC) program reasonably designed to identify, verify and update the identity of our clients, including where applicable, their respective beneficial owners and proxy holders;
- Enhanced due diligence for high-risk clients, Politically Exposed Persons or "PEPs" (PEPs are persons defined by the regulations who, due to their function or position (political, jurisdictional or administrative), are more exposed to these risks), and for situations of increased risk;
- Written policies, procedures and controls reasonably designed to ensure that the Bank does not establish or maintain relationships with shell banks;
- A policy, based on the internal assessment of risks and of the economic situation, to generally not process or otherwise engage, regardless of the currency, in activity or business:
 - o for, on behalf of, or for the benefit of any individual, entity or organisation subject to Sanctions by the French Republic, the European Union, the United States, the United Nations, or, in certain cases, other local sanctions in territories where the Group operates;
 - o involving directly or indirectly sanctioned territories, including Crimea/Sevastopol, Cuba, Iran, North Korea, or Syria;
 - o involving financial institutions or territories which could be connected to or controlled by terrorist organisations, recognised as such by the relevant authorities in France, the European Union, the U.S. or the United Nations.
- Client database screening and transaction filtering reasonably designed to ensure compliance with applicable laws;
- Systems and processes designed to detect and report suspicious activity to the relevant regulatory authorities;
- A compliance program reasonably designed to prevent and detect bribery, corruption and unlawful influence pursuant to the French "*Sapin III*" Law, the U.S FCPA, and the UK Bribery Act.

In this context, we make use of:

- o services provided by external providers that maintain updated lists of PEPs such as Dow Jones Factiva (provided by Dow Jones & Company, Inc.) and the World-Check service (provided by REFINITIV, REFINITIV US LLC and London Bank of Exchanges);
- o public information available in the press on facts related to money laundering, the financing of terrorism or corruption;
- o knowledge of a risky behaviour or situation (existence of a suspicious transaction report or equivalent) that can be identified at the BNP Paribas Group level.

We carry out these checks when you enter into a relationship with us, but also throughout the relationship we have with you, both on yourself and on the transactions you carry out. At the end of the relationship and if you have been the subject of an alert, this information will be stored in order to identify you and to adapt our controls if you enter into a new relationship with a BNP Paribas Group entity, or in the context of a transaction to which you are a party.

In order to comply with our legal obligations, we exchange information collected for AML/CFT, anti-corruption or international Sanctions purposes between BNP Paribas Group entities. When your data are exchanged with countries outside the European Economic Area that do not provide an adequate level of protection, the transfers are governed

by the European Commission's standard contractual clauses. When additional data are collected and exchanged in order to comply with the regulations of non-EU countries, this processing is necessary for our legitimate interest, which is to enable the BNP Paribas Group and its entities to comply with their legal obligations and to avoid local penalties.

For AML/CFT data sharing purpose, entities of the BNP Paribas Group have organized the sharing of personal data of individuals related to legal entities that are clients from BNP Paribas. When exchanging the data with another entity, we are together with this entity joint controller.
