- (c) Any Reference Rate Supplement relating to a currency overrides anything relating to that currency in:
- (i) Schedule 2 (*Reference Rate Terms*); or

- (ii) any earlier Reference Rate Supplement.
- (d) Any Compounding Methodology Supplement relating to the Daily Non-Cumulative Compounded RFR Rate or the Cumulative Compounded RFR Rate overrides anything relating to that rate in:
 - (i) Schedule 3 (*Daily Non-Cumulative Compounded RFR Rate*) or Schedule 4 (*Cumulative Compounded RFR Rate*), as the case may be; or
 - (ii) any earlier Compounding Methodology Supplement.
- (e) "**USD**", "**\$**" and "**dollars**" denote the lawful currency of the US. "**GBP**", "**£**" and "**sterling**" denote the lawful currency of the United Kingdom. "**EUR**", "**€**" and "**euro**" denote the single currency of the member states of the European Union that have the euro as their lawful currency in accordance with legislation of the European Union relating to Economic and Monetary Union. "**CHF**" and "**Swiss francs**" denote the lawful currency of Switzerland.

2. The Facility

- (a) The Facility is made available in the Base Currency but, if requested by the Borrower, BNPP may, subject to the availability of funds and of the applicable Interest Rate, and subject also to applicable laws, regulations and rules, make any individual Facility available in one or more Alternative Currencies.
- (b) BNPP may, at any time, calculate the aggregate amount of all outstanding Utilisations (including recalculating the Base Currency Amount of any or all Utilisations that are denominated in an Alternative Currency at that time) in order to determine whether the amount of the Facilities currently being utilised exceeds the Total Facility Limit, or whether the amount of any individual Facility currently being utilised exceeds any applicable Individual Facility Limit. Without prejudice always to the generality of BNPP's rights under Clause 6 (*Right of Review*), if, following such recalculation, it is found that the Total Facility Limit or any applicable Individual Facility Limit is being exceeded, the relevant Borrower shall, within two Business Days of BNPP's demand, repay or prepay such amount of any Utilisation as is necessary to reduce the aggregate amount of all Utilisations (or all Utilisations under the relevant individual Facility, as the case may be) to below or equal to the Total Facility Limit and/or any relevant Individual Facility Limit (as applicable).
- (c) In the event that BNPP is unable or it is impracticable for BNPP to grant or continue to grant all or any part of the Facility in the Base Currency by reason of any of the following:
 - (i) changes in national or international financial, political or economic conditions or currency availability or exchange rates or exchange controls; or
 - (ii) it becomes unlawful or illegal under, or contrary to, or additional conditions have been imposed by, any laws, regulations, directives, ruling or guidelines of any governmental or non-governmental or statutory authority for BNPP to grant or to continue to grant the Facility in the Base Currency,

then, notwithstanding any other provision of the Facility Documents, BNPP shall have the right in its absolute discretion to convert the Base Currency into any other currency as selected by BNPP, with prior notice to the Borrower to the extent reasonably possible.

3. Bank Instrument Facilities – Utilisation

- (a) Any Utilisation request for a Bank Instrument must be accompanied by the proposed form of the Bank Instrument that is required by the Borrower (or, where the relevant Bank Instrument is an Import L/C, the Utilisation request must provide the Bank with all information necessary for the Bank to be able to generate itself the form of the Bank Instrument), and such form must comply with the relevant requirements of the Facility Documents and must otherwise be acceptable to BNPP.
- (b) A Bank Instrument must:
 - (i) be in favour of an acceptable person (as determined by BNPP in its absolute discretion);
 - (ii) have a Term which is not longer than the maximum Term specified in the Table;
 - (iii) (unless BNPP agrees otherwise) create only an autonomous, primary liability on the part of the issuer (rather than any accessory, secondary liability); and
 - (iv) be otherwise upon terms acceptable to BNPP and, as regards any Import L/C, be subject to the Uniform Customs and Practice for Documentary Credits (2007 revision) Publication 600 published by the International Chamber of Commerce.

- (c) In the event that the Borrower requests the issuance of a Bank Instrument without any amendment or otherwise with drafting that **it or the Beneficiary requires, then if the Bank Instrument is acceptable to BNPP,** the Borrower agrees and shall assume full liability and responsibility in the event that the text of the Bank Instrument that BNPP may issue in accordance with the Borrower's instructions is not deemed suitable for the Beneficiary, or may cause risks or loss to the Borrower, including (without limitation) a refusal of a tender in any invitation to tender.
- (d) If BNPP agrees at the Borrower's request to issue a Bank Instrument in a language other than English, the Borrower hereby releases BNPP from any liability in connection with the use or interpretation of such other language. BNPP shall have no liability for a Correspondent Bank issuing a Bank Instrument in a language other than English, whether or not BNPP issued instructions on the use of language to such Correspondent Bank.
- (e) Notwithstanding any agreement by BNPP to issue such a Bank Instrument, where the legal nature of a Bank Instrument which is a guarantee either (i) is clearly accessory or (ii) is or may be ambiguous or uncertain (including not clearly autonomous or not clearly accessory), the Borrower agrees that (without prejudice to the Bank's other rights and discretions under the Facility Documents in relation to any such Bank Instrument and any Claim thereunder) BNPP may (but is not obliged to) consider and treat such Bank Instrument as an autonomous guarantee.
- (f) The Borrower hereby represents and warrants that it is acting with the consent of any third party whose obligations would be covered by a Bank Instrument or whose name is specified in any Utilisation request for a Bank Instrument, and that the Borrower will not receive any remuneration in connection with any Bank Instrument. BNPP shall have no responsibility or obligation to interact with any such third party, and shall have no responsibility for monitoring such third party's economic, accounting, legal or financial situation. In the event that the Borrower and any such third party have one or more directors, officers or senior managers in common, the Borrower hereby represents that each such Utilisation request and each such Bank Instrument have been duly authorised, including (where relevant and without limitation) as a related party or similar transaction.
- (g) The Borrower acknowledges that it understands and accepts the risks of the following provisions commonly appearing in guarantees, and hereby waives any obligation that BNPP might otherwise have to provide any information or warning in respect of a Bank Instrument with any such provisions:
- (i) **Evergreen guarantees:** a guarantee (or counter-guarantee) is extended automatically, unless terminated by the guarantor by notification to the Beneficiary (or to the Correspondent Bank, as applicable); in the event of a termination at the initiative of BNPP or any Correspondent Bank, BNPP will inform the Borrower of the same; in the event that the Borrower wishes to request that BNPP terminate the guarantee or counter-guarantee, the Borrower shall give BNPP prior written notice of its request not later than thirty (30) calendar days prior to the last day on which BNPP may serve a termination notice on the Beneficiary under the terms of the guarantee (or counter-guarantee);
 - (ii) **Revolving guarantees and guarantees with uncertain monetary limits:** the amount specified in a guarantee may be neither an absolute limit nor an amount that is eligible for successive reductions following payments made thereunder, regardless of the limit specified in the relevant Utilisation request (such as guarantees which are reconstitutable or available for their maximum amount for successive periods, known as "revolving"), or the guarantees may cover (in addition to a maximum amount of principal) costs, expenses and other ancillary amounts without limitation of amount; and
 - (iii) **Uncertain expiry date:** the expiry date of a guarantee may not be binding or clearly defined (whether as a result of drafting and/or of applicable law), such that the Borrower will not be released from its obligations to BNPP under the Facility Documents in relation to such a guarantee, notwithstanding the occurrence of the expiry date set out in the Utilisation request.
- (h) The Borrower agrees that it will not, without the prior written consent of BNPP:
- (i) amend, or acquiesce in any amendment of, any document or instrument relating to any underlying transaction to which a Bank Instrument relates; or
 - (ii) enter into any agreement, arrangement or understanding with a Beneficiary,
- in each case in any way which could increase BNPP's exposure or alter the nature of BNPP's risk under any Bank Instrument.
- (i) To the extent that any Bank Instrument is issued by a Correspondent Bank rather than by BNPP itself, the relevant provisions of the Facility Documents shall apply as if such Bank Instrument had been issued by BNPP, and in addition any references in the Facility Documents:
- (i) to any such Bank Instrument shall (where the context requires) be construed to include any guarantee, indemnity, reimbursement or similar arrangements between BNPP and the Correspondent Bank; and

- (ii) to losses, claims, demands, liabilities or payments under any such Bank Instrument shall be construed to include losses, claims, demands, liabilities or payments in connection with any such guarantee, indemnity, reimbursement or similar arrangements between BNPP and the Correspondent Bank.

4. Claims under Bank Instruments

- (a) The Borrower irrevocably and unconditionally authorises BNPP to:

- (i) honour any Bank Instrument requested by (or purporting to have been requested by) the Borrower; and
- (ii) otherwise pay any claim made (or purporting to have been made) under such a Bank Instrument which appears on its face to be in order (a "**Claim**"),

even if the Borrower or any other person contests the honouring of that Bank Instrument or the payment of that Claim. A Claim so made shall by itself be sufficient authority to BNPP to make payment of the amount claimed. Any honouring or other payment of a Claim that is made by BNPP in compliance with this authority shall, as between BNPP and the Borrower, be conclusive evidence of BNPP's liability to honour or otherwise pay that Claim, including as to the manner and amount of it.

- (b) The Borrower acknowledges that BNPP shall at all times be entitled:

- (i) to deal in documents only;
- (ii) to make payment in respect of each Claim without further investigation or enquiry and without any reference to or further authority from the Borrower or any other person; and
- (iii) not to be concerned with the validity, genuineness, propriety, accuracy or legality of any Claim, any document received by it under or pursuant to any Bank Instrument, any underlying transaction, debt or state of account or any possible set-off, counterclaim or other defence of the Borrower or any other person,

notwithstanding that the Borrower or any other person may dispute the validity of a Claim or that BNPP may (in its absolute discretion) discuss a Claim or related matters (such as related documents or the underlying transaction or any possible set-off, counterclaim or other defence of any person) with the Borrower or any other person, and it shall not be a defence to any demand made against the Borrower under the relevant Facility Documents that BNPP was or might have been justified in refusing to perform in whole or in part the obligations in respect of which demand is made against the Borrower.

- (c) If the Beneficiary of a Bank Instrument is an emanation of a state, any request or Claim from its representative or from any regulatory authority of such state, or from any entity of any form whatsoever which replaces or succeeds such state or regulatory authority, shall in each case be deemed to have been issued by the Beneficiary.
- (d) The Borrower irrevocably and unconditionally authorises BNPP to (or to permit that a Correspondent Bank or confirming bank does) discount or offer to discount or otherwise negotiate or honour any deferred Bank Instrument and to pay under that Bank Instrument (or any draft presented under it) before its maturity date in favour of an acceptable person (as determined by BNPP).
- (e) The Borrower unconditionally and irrevocably undertakes to provide BNPP on demand (and without set-off) with sufficient funds in the relevant currency of the Bank Instrument to meet all Claims that BNPP has paid or that BNPP determines that it shall pay under or in connection with each Bank Instrument.
- (f) The Borrower unconditionally and irrevocably undertakes to indemnify and hold harmless BNPP on demand from and against all losses, costs, damages, expenses, liabilities, actions, claims and demands whatsoever (together "**Losses**") which BNPP determines it may incur or sustain or which may be made against BNPP in connection with the issuance or entry into of, or the payment of Claims or the performance of obligations or the exercise of rights under, any Bank Instrument or any Facility Document, including without limitation:
 - (i) any legal fees incurred by BNPP in preserving or enforcing (or attempting to preserve or enforce) any of its rights under a Bank Instrument or any Facility Document (including, but not limited to, as a result of BNPP becoming a party to any legal proceedings that may be commenced against BNPP by a Beneficiary in the event that BNPP has determined that it is entitled to refuse to pay a Claim (but without prejudice always to BNPP's other rights under this Clause 4 (*Claims under Bank Instruments*))); and
 - (ii) all taxes and stamp, documentary, registration and similar duties (other than any tax in Ireland which is calculated by reference to net income actually received or receivable by BNPP).
- (g) Notwithstanding any other provision of the Facility Documents or any law, the Borrower hereby expressly waives:

- (i) any right it may have to require BNPP (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or to claim payment from any other person before claiming from the Borrower under the Facility Documents; and
 - (ii) any formal notice and all other formalities of any kind in relation to its obligations under Clauses 4(e) and 4(f) above.
- (h) The obligations of the Borrower under Clauses 4(e) and 4(f) above are continuing and shall remain in full force and effect until the Termination Date, regardless of any intermediate payment or discharge in whole or in part. Such obligations shall be in addition to and not in substitution for any other present or future guarantee, indemnity, other credit support or other right or remedy at any time held by or available to BNPP, and shall not be in any way prejudiced or affected thereby or by any invalidity, release, amendment, enforcement or non-enforcement thereof. Furthermore such obligations will not be affected by any act, omission, matter or thing which, but for this Clause 4(h), would reduce, release or prejudice any of such obligations (without limitation and whether or not known to BNPP or any other person) including:
- (i) the sufficiency, accuracy or genuineness of any Claim or any other document;
 - (ii) any amendment, variation or extension of any Bank Instrument, any Facility Document or any other document;
 - (iii) any time, waiver or consent granted to, or composition with, the Borrower, any Beneficiary or any other person;
 - (iv) the release of any person under the terms of any composition or arrangement with any creditor of any member of the Group;
 - (v) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Beneficiary or any other person, or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
 - (vi) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Beneficiary or any other person;
 - (vii) any amendment (however fundamental) or replacement of a Facility Document, any Bank Instrument or any other document or security;
 - (viii) any unenforceability, illegality or invalidity of any obligation of any person under any Facility Document, any Bank Instrument or any other document or security; or
 - (ix) any insolvency or similar proceedings.

5. **Interest and Issuance Fees**

- (a) Interest Periods under an Advances Facility shall be selected by the Borrower in a Utilisation request or any other document agreed to by BNPP, and (unless provided otherwise in the Table) shall be for 1, 3, or 6 months or such other period as BNPP may agree, but provided always that no Compounded Rate Loan shall have an Interest Period of less than 1 week or longer than 6 months, and provided further that to the extent that any Interest Period would otherwise extend beyond the Final Repayment Date, that Interest Period shall instead end on the Final Repayment Date. Each Interest Period for a Utilisation shall start on its drawdown date or (in the case of a Term Loan Facility and if such Utilisation has already been made) on the last day of its preceding Interest Period. In the case of a Revolving Advances Facility, a Utilisation has one Interest Period only.
- (b) The Borrower shall pay interest on an Advances Facility at the applicable Interest Rate on the last day of the relevant Interest Period and also (in the case of any Interest Period that is longer than six (6) months) on the last day of each six-(6)-month period during that Interest Period.
- (c) Interest will be calculated on each Compounded Rate Loan for each day during an Interest Period at the percentage rate per annum which is the aggregate of the applicable Compounded Reference Rate for that day and the relevant Margin and, if any day during an Interest Period for a Compounded Rate Loan is not an RFR Banking Day, the rate of interest on that Compounded Rate Loan for that day will be the rate applicable to the immediately preceding RFR Banking Day. BNPP shall promptly upon a Compounded Rate Interest Payment being determinable notify the relevant Borrower of:
 - (i) that Compounded Rate Interest Payment; and
 - (ii) to the extent it is then determinable, the Market Disruption Rate (if any) relating to the relevant Compounded Rate Loan:

and thereafter, if so requested by the Borrower in relation to that Compounded Rate Interest Payment, BNPP shall within 2 Business Days after such request provide the Borrower with details of each applicable rate of interest relating to the determination of that Compounded Rate Interest Payment.

BNPP's obligations in this Clause 5(c) shall not apply to any Compounded Rate Interest Payment that is determined by reference to Cost of Funds in accordance with Clause 5(l) below.

BNPP shall not be required to make any such notification to the Borrower on a day which is not a Business Day.

- (d) Interest will be calculated on each Term Rate Loan for an Interest Period at the percentage rate per annum which is the aggregate of the applicable Term Reference Rate and the relevant Margin. BNPP will promptly notify the relevant Borrower of the determination of a rate of interest relating to a Term Rate Loan.
- (e) If two or more Interest Periods each relating to a separate Utilisation under a Term Loan Facility are in the same currency, are made to the same Borrower and end on the same date, those Utilisations will be consolidated into, and treated as, a single Utilisation under that Term Loan Facility on the last day of the Interest Period. The duration of each subsequent Interest Period of such consolidated single Utilisation shall be the longer, or (as the case may be) the longest, of the respective Interest Periods of the separate Utilisations immediately prior to such consolidation or alternatively any other period agreed between the relevant Borrower and BNPP.
- (f) The Borrower shall pay interest on each Utilisation under an Overdraft Facility at the applicable Interest Rate. Interest will be calculated on any such Utilisation on a daily basis using the applicable Interest Rate for the relevant day, and if any day is not a Business Day, the Interest Rate will be the rate applicable to the immediately preceding Business Day. For this purpose, the Borrower hereby agrees that BNPP is authorised, without any notice to the Borrower, to debit such interest that is due and payable on an Overdraft Facility from the Current Account (or, if the Overdraft Facility is made available on more than one Current Account, from any of those Current Accounts as BNPP may (in its discretion) decide) on a monthly basis in accordance with the normal practice of BNPP or on any date on which an Overdraft Facility is withdrawn. In addition, if the Borrower fails to pay to BNPP any other sum due and payable by it in relation to an Overdraft Facility, BNPP shall have the right, without any notice to the Borrower, to debit any such sum from the Current Account (or, if an Overdraft Facility is made available on more than one Current Account, from any of those Current Accounts as BNPP may (in its discretion) decide), without prejudice to any other rights and remedies of BNPP against the Obligor.
- (g) In relation to the calculation of interest on any Overdraft Facility, the balances of the accounts of the Borrower held in different currencies or in the same currency will not be set off for the purposes of calculating such interest, and interest will be charged on the full gross amount of all Utilisations under such Overdraft Facility unless the Borrower has entered into separate cash pooling agreements with BNPP.
- (h) The issuance fees for a Bank Instrument do not include any out-of-pocket expenses or ancillary costs (including, without limitation, any Correspondent Bank fees or charges) that BNPP may incur in connection with the Bank Instrument or the costs or charges relating to any amendment of the Bank Instrument. These types of out-of-pocket expenses, ancillary costs, fees, costs and charges will be levied in accordance with BNPP's standard practices and BNPP shall be entitled to recover them from the (relevant) Borrower upon demand.
- (i) Where any Interest Rate is to be determined in relation to a Term Rate Loan, BNPP shall promptly notify the Borrower if, BNPP determines at any time that:
 - (i) at or about noon on the Rate Fixing Day, either (A) no Screen Rate is available for the currency of the relevant amount or (B) no Screen Rate is available for a period equal to the required Interest Period and (if applicable) it is not possible to calculate an Interpolated Screen Rate for the relevant period; or
 - (ii) before close of business on the Rate Fixing Day, the cost to it of funding the relevant Utilisation from whatever source it may reasonably select would be in excess of the relevant Term Reference Rate; or
 - (iii) (in relation to any Utilisation yet to be granted) before close of business on the Rate Fixing Day, the relevant currency is not available to BNPP in the amount and for the period required.
- (j) If Clause 5 (i)(i) or Clause 5(i)(ii) applies, the Interest Rate applicable to the Term Rate Loan for the relevant Interest Period shall, subject to Clause 5(m), be determined by reference to the Cost of Funds instead of (the relevant Term Reference Rate. If Clause 5(i)(iii) applies, such Utilisation shall not be granted.
- (k) Where any Interest Rate is to be determined in relation to a Compounded Rate Loan, BNPP shall promptly notify the Borrower if BNPP determines at any time that:
 - (i) there is neither an applicable RFR nor an applicable Central Bank Rate for the purposes of calculating the Daily Non-Cumulative Compounded RFR Rate for an RFR Banking Day during an Interest Period for a Compounded Rate Loan; or

- (ii) before close of business on the Reporting Day, the cost to it of funding the relevant Utilisation from whatever source it may reasonably select would be in excess of the relevant Market Disruption Rate.

- (l) If Clause 5(k)(i) or Clause 5 (k)(ii) applies, the Interest Rate applicable to the Compounded Rate Loan for the relevant Interest Period will be determined by reference to the Cost of Funds instead of the relevant Compounded Reference Rate.

- (m) In the case of Term Rate Loans, on and from a Screen Rate Replacement Event Date:
 - (i) (in the case of a Screen Rate Replacement Event relating to EURIBOR and Term Rate Loans (or other sums) in euro):
 - (1) Term €STR plus €STR CAS will be used in place of EURIBOR for the calculation of the Interest Rate for Term Rate Loans (or other sums) in euro; or
 - (2) if after giving effect to (1), no Term ESTR is available, the Compounded Reference Rate will be used in place of EURIBOR for the calculation of the Interest Rate for such Utilisations (or other sums) in euro, the euro will be deemed to be a Compounded Rate Currency and such Utilisations (or other sums) in euro will be Compounded Rate Loans,

provided that in all cases where the Screen Rate Replacement Event Date falls prior to the last day of any Interest Period for a Term Rate Loan (or other sum) in euro then EURIBOR will continue to apply to such Term Rate Loan (or other unpaid sum) for the remainder of that Interest Period and EURIBOR will be replaced on and from the first day of the next Interest Period (if any) for that Term Rate Loan (or other sum) in euro; and
 - (ii) (in the case of a Screen Rate Replacement Event relating to CME Term SOFR and Term Rate Loans (or other sums) in USD), the Compounded Reference Rate for USD will be used in place of CME Term SOFR for the calculation of the Interest Rate for such Utilisations (or other sums) in USD, USD will be deemed to be a Compounded Rate Currency and such Utilisations (or other sums) in USD will be Compounded Rate Loans, provided that where the Screen Rate Replacement Event Date falls prior to the last day of any Interest Period for a Term Rate Loan (or other sum) in USD then the applicable Term Reference Rate will continue to apply to such Utilisation (or other unpaid sum) for the remainder of that Interest Period and will only be replaced on and from the first day of the next Interest Period (if any) for that Utilisation (or other sum) in USD.

- (n) The Borrower shall, within three Business Days of demand by BNPP, pay to BNPP its Break Costs attributable to all or any part of a Utilisation under an Advances Facility or an overdue amount being paid by the Borrower on a day other than the last day of an Interest Period for that Utilisation or overdue amount, but provided that Break Costs shall not apply to any Compounded Rate Loan.

- (o) If any Obligor fails to pay any amount payable by it under a Facility Document on its due date, that Obligor shall pay BNPP interest on that overdue amount from the due date up to the date of actual payment (both before and after judgment) calculated by reference to successive Interest Periods at the rate per annum that is equal to:
 - (i) if the overdue amount relates to an Advances Facility:
 - (1) (subject to sub-paragraph (2) below) two per cent. higher than the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Utilisation under the relevant Advances Facility in the currency of the overdue amount for successive Interest Periods; or
 - (2) (if the overdue amount consists of all or part of a Utilisation under the relevant Advances Facility which became due on a day which was not the last day of an Interest Period relating to that Utilisation):
 - (A) the first Interest Period for that overdue amount shall have a duration equal to the unexpired portion of the current Interest Period relating to that Utilisation; and
 - (B) the rate of interest applying to the overdue amount during that first Interest Period shall be two per cent. higher than the rate which would have applied if the overdue amount had not become due;
 - (ii) if the overdue amount relates to an Overdraft Facility, two per cent. higher than the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Utilisation under the relevant Overdraft Facility in the currency of the overdue amount; or
 - (iii) if the overdue amount relates to a Bank Instrument Facility, the aggregate of: (A) two per cent; (B) the issuance fees applicable to that Bank Instrument Facility; and (C) the Base Rate for the currency of that overdue amount.

- (p) Any default interest accruing under Clause 5(o) above is immediately payable on demand by BNPP, and (if unpaid) shall be compounded with the overdue amount at the end of each Interest Period applicable to that overdue amount but shall remain immediately due and payable.

6. **Right of Review**

- (a) Notwithstanding any other provision of the Facility Documents, the availability of each Facility is subject to review by BNPP at any time and BNPP shall have the right at any time upon written notice to the Borrower (which written notice may either have immediate effect or alternatively be subject to any notice period (as BNPP may in its absolute discretion specify therein, and without BNPP being under any obligation to give any reason or explanation for its decision)):

- (i) to decline to allow any Utilisation under any Facility to proceed; and/or
- (ii) to terminate, cancel (in whole or in part) and/or amend any Facility (including, without limitation, reducing or suspending, in whole or in part, that Facility) and/or amend the provisions of the Facility Documents; and/or
- (iii) to declare all or any part of the Outstanding Amounts to be due and payable at any time and demand their immediate repayment; and/or
- (iv) to enforce its rights under the Security Documents (where applicable); and/or
- (v) (in relation to a Bank Instrument Facility) with respect to each Bank Instrument issued by BNPP or any Correspondent Bank under that Facility, to require the Borrower to:
 - (1) procure that another bank issues a bank guarantee, letter of credit, bond or other relevant instrument to replace each such Bank Instrument issued by BNPP, so that BNPP is satisfied that it has no further liability under that Bank Instrument;
 - (2) procure that another bank satisfactory to BNPP issues a counter-guarantee in favour of BNPP in a form satisfactory to BNPP; and/or
 - (3) provide immediate cash cover,

in the case of (2) and/or (3) above, to cover the full liabilities of BNPP under each such Bank Instrument (inclusive of interest, costs, charges and expenses), and in each case if the Borrower fails to comply with any such requirement of (1), (2) and/or (3) above, BNPP shall be entitled to exercise any right of lien it may have over, and to set off against, any sums or securities held in any accounts of the Borrower with BNPP and for that purpose BNPP shall be entitled to debit and/or block the relevant accounts of the Borrower.

- (b) For the avoidance of doubt, any termination or cancellation of a Bank Instrument Facility pursuant to this Clause 6 (*Right of Review*) shall not affect any Bank Instruments previously issued by BNPP or any Correspondent Bank under that Bank Instrument Facility. However, if BNPP so terminates or cancels a Bank Instrument Facility or makes demand for repayment in respect of that Bank Instrument Facility, the Borrower shall, within the timeframe specified by BNPP or promptly if no timeframe is specified, repay the Bank Instruments, together with all accrued issuance fees and all other amounts outstanding under the Facility Documents in relation to that Bank Instrument Facility.
- (c) Notwithstanding the other provisions of this Clause 6 (*Right of Review*), if BNPP notifies the Borrower that it is or becomes unlawful in any applicable jurisdiction for BNPP or any Correspondent Bank to perform any of its obligations as contemplated by the Facility Documents or any particular Bank Instrument or to fund or maintain any particular Bank Instrument, the Borrower shall use its best endeavours to procure the release of each affected Bank Instrument by no later than the date specified by BNPP (being no earlier than the last day of any applicable grace period permitted by law).

7. **Voluntary Prepayment**

- (a) Subject to the terms of the Facility Letter, the Borrower may voluntarily prepay the whole or any part of any outstanding Utilisation, but provided always that:
- (i) in the case of a Term Rate Loan, the Borrower must give BNPP not less than three Business Days' prior written notice;
 - (ii) in the case of a Compounded Rate Loan, the Borrower must give BNPP not less than five RFR Banking Days' prior written notice and provided furthermore that the Borrower shall not in any one-year period make more than three voluntary prepayments in aggregate of any Compounded Rate Loans; and
 - (iii) in the case of a Term Loan Facility, no such voluntary prepayment may be made earlier than the day following the last date on which that Term Loan Facility is available for utilisation in accordance with the "Utilisation mechanics" provision of the Table.

- (b) Any notice of voluntary prepayment given by a Borrower pursuant to the terms of the Facility Letter shall be irrevocable and shall specify the date upon which the relevant prepayment is to be made and the amount to be prepaid. Any prepayment shall be made together with accrued interest on the amount prepaid and, subject (where applicable) to Break Costs, without premium or penalty. Unless specified otherwise by the Borrower in the relevant notice of prepayment, any prepayment shall be applied *pro rata* against all Utilisations (excluding any Bank Instrument) then outstanding under the Facility.

8. Payments and Calculations

- (a) All payments to be made by the Obligors under the Facility Documents shall be paid (i) in immediately available, freely transferable cleared funds on the due date to such account(s) with such bank(s) as BNPP may notify to the Obligors, and in the currency in which they are required by the terms of the Facility Documents to be paid; (ii) exclusive of any Tax; and (iii) in full, without any set-off or counter-claim and free and clear of any withholding or deduction (including, but not limited to, in respect of Tax), except as required by law.
- (b) If any withholding or deduction (including, but not limited to, in respect of Tax) is required by law from any payment, the relevant Obligor shall:
- (i) increase the sum payable by it under the relevant Facility Document so that, after making the minimum deduction or withholding required, BNPP shall receive and be entitled to retain a net sum at least equal to the sum which it would have received had the deduction or withholding not been made; and
 - (ii) within 30 days of that payment, forward to BNPP confirmation from the relevant tax authority evidencing receipt by it of that deduction or withholding.
- (c) All sums set out or expressed in a Facility Document to be payable by any Obligor to BNPP are exclusive of any applicable value added tax or other tax of a similar nature that BNPP may be obliged to charge in connection with such sums. Accordingly each Obligor shall pay to BNPP (in addition to and at the same time as paying each such sum) the amount of any such value added tax or other tax of a similar nature.
- (d) The Base Currency is the currency of account and payment for any sum due from an Obligor under any Facility Document, except that:
- (i) any repayment or prepayment of a Utilisation or overdue amount shall be made in the currency in which that Utilisation or overdue amount is denominated, pursuant to the Facility Documents, on its due date;
 - (ii) each payment of interest (including default interest) or of issuance fees on a Utilisation under a Bank Instrument Facility shall be made in the currency in which the sum in respect of which the interest or issuance fees is/are payable was denominated, pursuant to the Facility Documents, when that interest or those issuance fees accrued;
 - (iii) each payment in respect of costs, expenses or Taxes shall be made in the currency in which the costs, expenses or Taxes are incurred; and
 - (iv) any amount expressed to be payable in a currency other than the Base Currency shall be paid in that other currency.
- (e) Any payment under the Facility Documents which would otherwise be due to be made on a day that is not a Business Day shall instead be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not). In either case interest and issuance fees calculations shall, where necessary, be adjusted accordingly.

11. **Anti-Money Laundering and other Laws**

- (a) Without prejudice to the generality of BNPP's rights under Clause 6 (*Right of Review*), BNPP may block or refuse to make a payment under or in connection with any Facility, and may refuse to permit a Utilisation under any Facility, if it believes on reasonable grounds that making such payment or Utilisation may breach any applicable law (including, without limitation, any law relating to anti-money laundering, anti-terrorist financing, anti-corruption, anti-bribery or Sanctions) or any internal compliance requirements of BNPP.
- (b) In the event that:
 - (i) BNPP is served with or notified of or otherwise in any way affected by any law, directive, regulation, rule, judicial or administrative order, judgment, injunction, government act, sanction, decree, writ or other form of judicial or administrative process, whether having the force of law or not (collectively, a "**Process**"), which may affect or relate to or is referable to, or appears to affect or relate to or to be referable to, any Obligor or the Obligor Transaction(s) (as defined in Clause 14(a) (*Indemnities*) below), or any of its accounts held with BNPP or its Affiliates or any interbank account of BNPP or its Affiliates; or

- (ii) BNPP in its opinion considers that it is necessary under any applicable Process which BNPP or its Affiliates are subject to or affected by or under any non-statutory practice, procedures or guidelines (whether having the force of law or not) with which it is BNPP's or its Affiliate's practice or policy to comply,

BNPP and its Affiliates may, and each Obligor hereby irrevocably authorises them to, comply therewith in any manner or to take any action in relation thereto as it or its lawyers deem appropriate, including freezing, blocking and/or suspending or withholding payment of all or any amount(s) standing to the credit of any Obligor's accounts held with BNPP or such Affiliates and/or terminating or suspending the Facility or any part thereof.

- (c) Neither BNPP nor any of its Affiliates shall be liable to any Obligor or any other person or entity in any manner whatsoever for any action or omission taken by BNPP or its Affiliates pursuant to this Clause.

12. Increased Costs

Each Borrower shall promptly on demand by BNPP (and in any event within 15 days after demand by BNPP) pay to BNPP the amount of any Increased Costs incurred by BNPP or any of its Affiliates as a result of (i) the introduction of or any change in (or in the interpretation, administration or application of) any law, rule, directive or regulation or (ii) compliance with any law, rule, directive or regulation made after the date of the Facility Letter, unless such Increased Costs are attributable to the wilful breach by BNPP or the relevant Affiliate of any law or regulation or are compensated for under Clause 14(a)(ii).

13. Costs and Expenses

- (a) Each Borrower shall promptly on demand pay to BNPP the amount of all (in the case of (i) and (ii), reasonable) costs and expenses (legal or otherwise, on a full indemnity basis) incurred by BNPP in connection with (i) the negotiation, preparation, printing, execution, registration and perfection of any Facility Document or any other documents executed pursuant to any Facility; (ii) responding to, evaluating, negotiating or complying with any request from any Obligor for any amendment, waiver or consent in connection with any Facility and (iii) the enforcement or preservation of any rights of BNPP under any Facility Document.
- (b) Each Borrower shall indemnify and reimburse BNPP for any reasonable cost, loss or expense incurred by BNPP (including, without limitation, any Cost of Funds) as a result of (i) any payment (including payment of interest) or prepayment being made other than as expressly permitted or required in any Facility Document or a payment being received in a currency other than the currency required by the terms of the Facility Documents or (ii) any failure by the Borrower to borrow on the date or in the currency specified in a Utilisation request. The foregoing provision will not apply where the cost, loss or expense arises directly from the gross negligence, wilful misconduct or fraud of BNPP, its Affiliates, agents, employees or officers.

14. Indemnities

- (a) Each Borrower shall promptly on demand indemnify and keep indemnified BNPP (including its head office and any and all branches of BNPP), its Affiliates, agents, employees and officers against:
 - (i) all claims, demands, actions, liabilities, charges, proceedings, warrants or injunctions, damages, losses (including loss of profit), reasonable costs and expenses (legal or otherwise);
 - (ii) all stamp duty, registration taxes and any other direct or indirect taxes (including an amount equal to the loss, liability or cost which BNPP determines will be or has been (directly or indirectly) suffered by it for or on account of Tax in respect of a Facility Document (other than on account of any Tax in Ireland or in BNPP's jurisdiction of incorporation that (in each case) is imposed on or calculated by reference to net income actually received or receivable (but not any sum deemed to be received or receivable) by BNPP));
 - (iii) any loss of bargain, Cost of Funds or any other loss incurred in liquidating, obtaining or re-establishing any swap, hedge or related trading positions or in the closing out of any foreign exchange or interest rate contract as a result of any prepayment of any Facility prior to its stated maturity (whether such prepayment is on demand by BNPP or otherwise (including any loss or cost due to internal hedging arrangements being unwound)); and
 - (iv) any shortfall arising from converting any payment to BNPP at the rate of exchange on the date of such payment to the extent that the converted amount falls short of the amount unpaid under the relevant Facility,

in each case, arising from or in connection with any Facility, any Utilisation or the performance, preservation and/or enforcement by BNPP of its rights and/or obligations under any Facility Document (including, but not limited to, those arising from (A) any transaction relating to any Obligor or any of the Obligors' accounts with BNPP or its Affiliates (an "**Obligor Transaction**"), (B) BNPP relying or acting (or (as the case may be) declining to act) on any communication or instructions (or purported communication or instruction) from any person BNPP reasonably believes is duly authorised (or (as the case may be) not duly authorised) to act on behalf of such Obligor, including any reliance by BNPP in good faith on any communication or instruction by telephone, fax, electronic mail or other electronic means).

- (b) The foregoing Clause 14(a) will not apply where the claim, loss or liability arises directly from the gross negligence, wilful misconduct or fraud of BNPP, its Affiliates, agents, employees or officers.

15. Set-Off

In addition to any rights to which BNPP or any of its Affiliates may be entitled at law or under the other Facility Documents or otherwise, both BNPP and each of its Affiliates will have the right (but not the obligation), at any time and without prior notice to the Borrower, to set off any present and/or future obligations and liabilities (whether actual or contingent) of the Borrower to BNPP (including its head office and any and all branches of BNPP) or any of its Affiliates against any obligation owed by BNPP (including its head office and any and all branches of BNPP) or any of its Affiliates to the Borrower, whether such obligation is matured or not matured and whether actual or contingent, and regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, BNPP or any of its Affiliates may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

16. Certificates and Determinations

Any certification or determination by BNPP of a rate, amount or any other subject matter under any Facility Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

17. Application of Moneys

If any sum paid or recovered pursuant to any Facility Document is less than the amount due, BNPP may apply such sum to principal, interest, fees or any other amount due under any Facility Document in such proportion, order and manner as it determines.

18. Partial Invalidity

If, at any time, any provision of any Facility Document is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions, nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

19. Remedies and Waivers

No failure to exercise, nor any delay in exercising, on the part of BNPP, any right or remedy under the Facility Documents shall operate as a waiver of any such right or remedy or constitute an election to affirm any of the Facility Documents. No election to affirm any Facility Document on the part of BNPP shall be effective unless it is in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in the Facility Documents are cumulative and not exclusive of any rights or remedies provided by law.

20. Reinstatement

Any settlement or discharge between BNPP and the Borrower shall be conditional upon no security or payment to BNPP by the Borrower or any other person being avoided or set aside or ordered to be refunded or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation for the time being in force and BNPP shall be entitled to recover from the Borrower the value which BNPP has placed upon such security or the amount of such payment as if such settlement or discharge had not occurred.

21. Amendment and Waiver

- (a) Without prejudice always to the generality of BNPP's rights under Clause 6 (*Right of Review*), these Standard Terms are subject to change from time to time at BNPP's sole discretion. The Borrower accepts that these Standard Terms may be amended or updated unilaterally by BNPP from time to time, and any such amendments and updates of the Standard Terms which are notified in writing by BNPP to the Borrower from time to time shall apply to the Facility Letter. Any such amendments and updates shall take effect in accordance with the terms of any such notification in writing, which may be with immediate effect. The Borrower will be deemed to have accepted any such amendments and updates by continuing to make use of the Facility after such amendments and updates have taken effect.
- (b) Without prejudice always to the generality of BNPP's rights under Clause 6 (*Right of Review*), and unless otherwise provided in the relevant Facility Document, no provision of any Facility Document (other than these Standard Terms) may be amended or waived except by written agreement between the parties.

22. Further Assurance

Each Obligor undertakes to execute and deliver such further documents and to perform such further acts as BNPP may require to implement the purposes of the Facility Documents or any of the transactions contemplated by the Facility Documents, to perfect or protect any Encumbrance created (or intended to be created) pursuant to any Facility Document, or to facilitate the appropriation or realisation of any right or other asset of any Obligor over which BNPP has an Encumbrance.

23. Assignment and Transfer

- (a) Subject to this Clause 23, BNPP may assign any of its rights under the Facility Documents, or transfer by novation any of its rights and obligations under the Facility Documents, to any person, provided that the prior written consent of the Borrower is required for any such assignment or transfer unless the assignment or transfer is:
- (i) to an Affiliate of BNPP; or
 - (ii) made at a time when a default by any Obligor under, or any non-compliance by any Obligor with, any term of any of the Facility Documents is continuing.
- (b) Any consent of the Borrower to an assignment or transfer that is required pursuant to Clause 23(a) above must not be unreasonably withheld or delayed. The Borrower will be deemed to have given its consent five Business Days after BNPP has requested it unless consent is expressly refused by the Borrower within that time.
- (c) Subject to the conditions set out in Clause 23(a) above, a transfer by novation by BNPP of any of its rights and obligations under the Facility Documents is effected when BNPP and the new lender have each executed a duly completed Transfer Certificate. BNPP shall, as soon as reasonably practicable after it and the new lender have executed a Transfer Certificate, send to the Borrower a copy of that Transfer Certificate. On the date specified in such Transfer Certificate to be the transfer date:
- (i) to the extent that in the Transfer Certificate BNPP seeks to transfer by novation its rights and obligations under the Facility Documents, each of the Obligors and BNPP shall be released from further obligations towards one another under the Facility Documents and their respective rights against one another under the Facility Documents shall be cancelled (being the "**Discharged Rights and Obligations**");
 - (ii) each of the Obligors and the new lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Discharged Rights and Obligations only insofar as that Obligor and the new lender have assumed and/or acquired the same in place of that Obligor and BNPP; and
 - (iii) the new lender shall become a party to the Facility Documents in place of BNPP.
- (d) The procedure set out in Clause 23(c) for a transfer by novation shall not apply to any right or obligation under any Facility Document if and to the extent that its terms, or any laws or regulations applicable thereto, provide for or require a different means of transfer of such right or obligation or prohibit or restrict any transfer of such right or obligation, unless such prohibition or restriction shall not be applicable to the relevant transfer or each condition to any applicable restriction shall have been satisfied.
- (e) In addition to the other rights provided to BNPP under this Clause 23, BNPP may (without consulting with or obtaining consent from any Obligor):
- (i) enter into, whether directly or indirectly, any sub-participation in relation to, or any other transaction under which payments are to be made or may be made by reference to, one or more Facility Documents and/or one or more Obligors, and including, without limitation, any transaction with any insurer, reinsurer, securitisation vehicle, trust or fund for the purpose of BNPP refinancing or hedging any of its interests under the Facility Documents; and
 - (ii) at any time charge, assign, declare a trust over or otherwise create an Encumbrance in or over (whether by way of collateral or otherwise) any or all of its rights or obligations under any Facility Document to secure obligations of BNPP including, without limitation:
 - (1) any charge, assignment or other Encumbrance to secure obligations to a federal reserve or central bank; and
 - (2) any charge, assignment or other Encumbrance granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by BNPP as security for those obligations or securities,except that no such charge, assignment or Encumbrance shall:
 - (A) release BNPP from any of its obligations under the Facility Documents or substitute the beneficiary of the relevant charge, assignment or Encumbrance for BNPP as a party to any of the Facility Documents; or
 - (B) require any payments to be made by an Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to BNPP under the Facility Documents.

- (f) BNPP may also from time to time change its facility office in relation to all or a specified part of the Facility outstanding by giving written notification to the Borrower thereof.
- (g) The Borrower is not permitted to assign or transfer any of its rights or obligations under any Facility Document without the prior written consent of BNPP.

24. Counterparts

Each Facility Document may be executed in any number of counterparts, which has the same effect as if the signatures on the counterparts were on a single copy of that Facility Document.

25. Entire Agreement

The Facility Letter, together with its Schedules and the other Facility Documents (including the latest version of the Standard Terms as notified to the Borrower from time to time and any other terms incorporated by reference into the Facility Letter), set out the entire agreement between the parties and supersede any prior oral and/or written understandings or arrangements relating to the Facility.

26. Prevalence of terms

If there is any conflict or inconsistency between the provisions of the Facility Letter and these Standard Terms (or any other Facility Document), the provisions of the Facility Letter shall prevail.

27. Notices

- (a) Any communication to be made under or in connection with the Facility Documents (including, but not limited to, any Utilisation request) shall be made in writing and, unless otherwise stated and subject to Clause 27(g) below, may be made by hard-copy letter or by electronic mail, but provided that where a Borrower delivers a Utilisation request by electronic mail, such electronic mail must include, as an attached file, a scanned copy of the Utilisation request as signed on behalf of that Borrower by an authorised signatory.
- (b) The delivery address and electronic mail address(es) (and the department or officer, if any, for whose attention the communication is to be made) of each party for any communication or document to be made or delivered under or in connection with the Facility Letter are those set out in the Facility Letter or (in the case of any communication by BNPP to an Obligor) any notice details last known to BNPP. A party may notify the other(s) of any change in such notice details by not less than 5 Business Days' prior written notice.
- (c) Any communication or document made or delivered by BNPP to the Borrower under or in connection with the Facility Documents will be effective:
 - (i) if by way of fax or electronic mail, only when received in legible form; or
 - (ii) if by way of letter, only when it has been left at the relevant address or 5 Business Days after being deposited in the post, postage prepaid, in an envelope addressed to it at that address;and, if a particular department or officer is specified as part of its address details provided under Clause 27(b) above, if addressed to that department or officer.
- (d) Any communication or document made or delivered by an Obligor to BNPP will be effective only when actually received by BNPP and then only if it is expressly marked for the attention of the department or officer specified as part of its address details provided under Clause 27(b) above.
- (e) Any communication or document made or delivered to the Borrower will be deemed to have been made or delivered to the other Obligor(s), if any.
- (f) Any notice given under or in connection with the Facility Documents must be in English. All other documents provided under or in connection with any Facility Document must be in English or, if not in English and BNPP so requests, accompanied by a certified English translation, in which case the English translation will prevail unless the document is a constitutional, statutory or other official document.
- (g) The provisions of this Clause 27 are, in the case of the delivery by the Borrower of a request for a Utilisation of a Bank Instrument Facility, without prejudice to any right of the Borrower to deliver such a Utilisation request by means of separate electronic banking arrangements (including but not limited to Connexis and/or Centric) which allow for electronic requests for such Utilisations, if any such separate electronic banking arrangements have been entered into between the Borrower and BNPP. In such a case, such a Utilisation request may be made in accordance with BNPP's terms and conditions governing those arrangements to the extent that such terms and conditions differ from the requirements of this Clause 27.

**28. Consent to disclosure**

Each Obligor (for itself and on behalf of the other Obligors) hereby irrevocably and expressly consents to the disclosure of, and authorises and permits BNPP and its employees and agents at any time to disclose, such information relating to any Obligor and/or any Facility (including, but not limited to, details of each Obligor's account relationship with BNPP, the Facility Documents and, if applicable, each Obligor's foreign exchange, money market, fixed income and/or derivative transactions ("**Transactions**") with BNPP) and any other customer information ("**Confidential Information**") to BNPP's head office, other branches, regional offices, representative offices and Affiliates and to any fund owned, managed or advised by BNPP or any of its Affiliates (all such offices, branches and persons together, the "**BNPP Group**"), and to the professional advisers and auditors of any member of the BNPP Group and their respective employees and agents, and to any governmental or regulatory agencies or authorities or supranational entity or body, administrative, fiscal or judicial body, courts and tribunals, and to any other authorities of whatsoever nature (in each case whether within or outside Ireland) and to any exchange, market, clearing house, depository or trade repository, and to any potential assignee or transferee or persons who have entered into or who are proposing to enter into any sub-participation, credit derivative, risk transfer or risk participation transaction (including, without limitation, any insurer, reinsurer, securitisation vehicle, trust or fund, for the purpose of BNPP refinancing or hedging any of its interests under the Facility) or any other contractual arrangements with BNPP in relation to the banking facilities between any Obligor and BNPP and/or the Transactions (as applicable), including, without limitation, any person to whom BNPP may be liable in connection with an Obligor's obligations under the Transactions (if applicable) or any other person from time to time. This consent shall survive and continue in full force and effect for the benefit of BNPP notwithstanding the repayment, cancellation or termination of the Facility or any part thereof, the completion, settlement or termination of any Transaction (if applicable) and/or the termination of one or more types of banker-customer relationships between an Obligor and BNPP.

29. Data Protection

- (a) Each Obligor acknowledges that, subject to any applicable laws, regulations and rules, BNPP may, as controller (as this term is defined in the GDPR):
- (i) record, retain, use and otherwise process records and information about that Obligor and any individual whose Personal Data is disclosed to BNPP by or on behalf of that Obligor (each a "**Data Subject**"), including Personal Data in the special categories referred to in Articles 9 and 10 of the GDPR; and
 - (ii) use and otherwise process information about that Obligor's assets, accounts and transactions,

for the purposes of providing any Facility or other purposes reasonably ancillary thereto or otherwise stated in BNPP's CIB Data Protection Notice located on its global CIB corporate website (https://cib.bnpparibas.com/about/privacy-policy_a-38-60.html) as amended from time to time (the "**Data Protection Notice**") and/or to comply with applicable laws, regulations and rules.

- (b) The Data Protection Notice sets out the obligations of BNPP and each Data Subject's rights regarding this collection, use and other processing and provides the legally required information in this respect, including information regarding the legal basis for the processing, the sources and categories of the collected Personal Data, the categories of recipients of the Personal Data and the criteria used to determine the period for which the Personal Data will be stored.
- (c) Each Obligor undertakes and warrants that, before disclosing to BNPP any Personal Data in relation to a Data Subject, it has brought to the attention of its Data Subjects the Data Protection Notice and this Clause 29, and each Obligor acknowledges that BNPP and/or any of its Affiliates may process the Data Subjects' Personal Data as set out in the Facility Documents and the Data Protection Notice.
- (d) Unless legally or contractually obliged to do so, each Obligor and its Data Subjects are not subject to any obligation to provide BNPP or any of its Affiliates with its or their Personal Data. However, access to and use of any Facility and any related services provided by BNPP or any of its Affiliates may not be able to commence or continue if the Obligor or its Data Subjects do not provide Personal Data on request.

30. Mode of Communications

The Borrower irrevocably and unconditionally:

- (a) requests and authorises BNPP to accept, rely on and act in accordance with any communication or instruction from or on behalf of that Borrower by telephone, fax, electronic mail or any other electronic means to the extent such means are acceptable to BNPP in its discretion, without any obligation on the part of BNPP to enquire as to the genuineness, completeness, authenticity, correctness or validity thereof;
- (b) acknowledges that the giving of any such communication or instruction by telephone, fax, electronic mail or any other electronic means is an insecure means of communication and is exposed to inherent network and intrusion vulnerabilities, that BNPP makes no representations or warranties whatsoever as to the security, completeness or integrity of any information, communication or instruction transmitted via such means, that BNPP shall not be responsible for any loss of security or integrity or breach of confidentiality arising from the use of any such form of communication, and further

that any communication or instruction transmitted via such means may not be read or executed by the recipient at all or in a timely manner; and

- (c) confirms that in any legal proceedings brought in respect of any such communication or instruction by telephone, fax, electronic mail or any other electronic means which is reasonably relied upon by BNPP in connection with the Facility or the Facility Documents, the correctness, validity, accuracy, completeness, enforceability, authenticity and genuineness of such communication or instruction shall be fully binding, admissible and conclusive upon the Borrower and shall not be affected or challenged merely on the ground that it is sent or received via such means.
